Hello Westside Families ~

THINGS TO NOTE:

- Recess is happening each day as well as occasional outdoor mask breaks, so we ask that all students have appropriate clothes for the weather. Please remember we go outside each day for recess unless the regular temperature or wind chill is below zero.
- Please make sure your children have a clean mask and a water bottle each day. Thank you!
- As a public school District, we collect information for all children aged 0-21 for state reporting. We also want to ensure parents of young children (age 0-5) in our District receive information such as early childhood screening information and 4K and 5K registration. Click on this link <https://goo.gl/DFjSne> to complete our form. If you know of other families with children in our District that may not be receiving this request, please share this information with them.

BUZZ IN KIMBERLY SCHOOLS KINDERGARTEN REGISTRATION

Is your child going to be 4 or 5 years old by September 1, 2022?

IT'S TIME TO ENROLL YOUR NEWEST PAPERMAKER FOR 2022-2023!

Residents in the Kimberly Area School District can now register their newest Papermaker in Kindergarten.

Registration is quick and easy...

1. Complete the required forms online at <http://www.kimberly.k12.wi.us/parents/registration>
 - If you do not have computer access, computers will be available at any of KASD's schools or the District office.
 - If you are unable to stop in during normal business hours, please contact the school secretary to set-up a time to stop in.
2. Birthdates are confirmed through the Wisconsin Immunization Registry. For non-immunized students or students registering from out of state an ORIGINAL birth certificate must be brought in at some point after you have registered online. We are encouraging school and community members to become the eyes and ears of the Kimberly Area School District in order to provide information that keeps our students, staff and schools safe.

It sometimes can be difficult to define:

- Take your time to pay attention to your surroundings and to the behaviors of others around you.
- Know what suspicious or concerning behaviors look like.
- Does the activity look strange to you?
- Are you worried someone you know is thinking about hurting others or themselves?

Report it, don't just repeat it.
