National Honor Society Food Drive Blood Drive

Since it is the Season of Giving, we want to give back, and we need your help! The Simms Chapter of National Honor Society will be hosting a food drive, as well as a blood drive, this December. The 2018 NHS is starting up a Food Pantry in the high school for students in need, and we need donations! If you would like to donate food, you can bring non-perishables to the high school to drop off. The classes will compete to bring the most cans; the class that wins will get to pie their advisor! There are other miscellaneous prizes the students can win by bringing in cans, such as homework passes, getting to wear a hat for the day, or being first in the lunch lines. So, ***please bring in food!***

The blood drive will be December 20th at Simms High School, starting at 9:30 a.m. and going until 2:30 p.m. Blood is always needed, especially with the winter conditions worsening. This is your chance to save a life! If you would like to sign up to donate blood, contact the National Honor Society advisor, Jordan Hollern, at jhollern@srvs.k12.mt.us with a time you could donate. National Honor Society thanks you for all of your support and donations! Happy Holidays!

~ A Message from the Fort Shaw Elementary Principal ~

The first trimester has been a successful time at Fort Shaw! Students have been hard at work diving deep into the learning objectives their teachers set forth. Teachers have challenged the students and helped them develop a growth mindset. We want to instill perseverance and determination into our students at FSE.

We have created a “makerspace” in our old library area. We call it the Tiger Lounge. Students are able to come in twice a week during their recess time to be creative, use critical thinking skills, collaborate with others, problem solve, and innovate. They can choose from numerous activities. Students can do things like build with Legos and K’nex, play strategy games like chess and Monopoly, and code on the computer. Other activities will be developed and added throughout the school year. The kids have really enjoyed using the makerspace. I have had such a great turn out each time. If you happen to have any old electronics that work or don’t work, such as computers or old stereo equipment that you don’t want to have around, we would love to have it in our makerspace. Students would be able to take those apart and experiment with them. Please contact the office or drop them off. Thank you!

Students and staff have been practicing fire, lockdown, and evacuation drills. It’s very important that we practice these throughout the year so we are prepared for any type of emergency. We practice the routines and procedures to ensure our school will be as safe as possible. We also have a new addition to our security measures using a secure entrance system. During school hours all the doors are locked. The only way to access the building is through the secure entrance system at the front door located by the office. If you want to enter, you have to push the button and identify yourself so a staff member can open the door for you. We are trying to be prepared for any type of emergency situations and keep FSE a safe environment. The new entrance system will aid in doing so.

Our teachers have continued to receive literacy training provided by the Montana Comprehensive Literacy Project that our district was awarded. Each month the teachers are observed by an Office of Public Instruction liaison and a literacy consultant. They give teachers feedback and suggestions on how to improve their instruction. Staff have also attended literacy trainings and can continue to do so on their own time once a month. Teachers have spent numerous hours developing their instructional techniques and strategies, compiling student data, and implementing new literacy programs and resources. All of this will improve instruction and student achievement. I want to thank the staff for all their hard work and dedication to the students at FSE!

The District has scheduled a ski trip to Showdown on Friday, December 14th. Third through fifth grade students are allowed to go. This is a great opportunity for students to start skiing at an early age and stay active during the winter months.

Fort Shaw Elementary is hosting a Christmas Concert on Tuesday, December 18th, @ 2:30 p.m. in the FSE Gym. Please come and join us to listen to our elementary students fill everyone with Holiday Spirit!

Our kindergarten through second graders are going to the Fort Shaw Community Center on Thursday, December 20th, to go caroling and spread some cheer! What a great thing for those little students to be a part of. I want to thank Mrs. Davidson for setting it up and also putting on the concert.

Enjoy your Christmas Vacation from December 21st - January 1st! Happy Holidays from everyone at FSE!

~ Booster Club News ~

First of all, I'd like to congratulate Coach Pasma, Coach Taylor, and the Simms HS Girls Volleyball team on taking 3rd place in the Class C State Volleyball Tournament! What an incredible achievement! Thank you for all your dedication and hard work. We are all so proud of you!

But on a more serious note, I would like to express my sadness for the loss of our beloved custodian, Dan Cornell. As you all know, Dan passed away the morning of Oct. 5th, 2018. Not only did Dan do a truly magnificent job at keeping our school grounds in tip-top shape, he also genuinely cared about the people he worked with. I've known Dan for almost as long as I've lived in the Sun River Valley (close to 20 years), and I never failed to grin when he would laugh! My heart hurts a little each time I'm at the high school and I don't see him. Dan would always grin at me and ask me how life was treating me...and no matter how I answered, he would start laughing! I've always wondered what it was about me that he found so amusing. Dan's joy was contagious and his smile and laugh lit up the joy and laughter inside those he met... that's what I will miss most about him.

The first couple of months here at the beginning of the school year have been extremely busy ones. (Not that the following 7 months or so will be any less busy!) We had 11 seniors receive their senior jackets on Senior Night/Homecoming. Booster Club also made posters for all of the seniors with their pictures on them and embellished them with some bling. The pictures of the senior girls were hung up in the gym and the senior boys were hung up outside during their games. The seniors also received locker signs with their pictures with them.

December 1st is the date of our Booster Club Great Christmas Cookie Give-A-Way!! In the past, we have given away 70-90 plates of Christmas Cookies. Truth be told, this is my absolute favorite event that we put on! Last year we played the Power Pirates. We had a couple of kids in our Tiger Mascot uniforms, and Power also sent over their mascot. We gave them all candy to hand out to children in the crowd during the basketball games. We also had pictures with Santa! The kids loved it! There was face painting available too! With the help of Mr. McKinley, we had games and prizes for different age groups during halftime, and it was a blast! **BUT I NEED YOUR HELP TO MAKE THIS HAPPEN!** I need Christmas cookies, candy, baked goods, etc, by November 30th, or the morning of December 1st. So, this is how this works: everyone who comes to the Simms/Valier game puts their name in either the "Simms Tigers" stocking, or the "Valier Panther" stocking. We will draw names throughout the day and the winners come and pick out their plate of Christmas cookies! If you can help, please contact me at 406-899-2386. You can call or text, this seems to be the most reliable way to reach me, as I've had trouble with Facebook Messenger for whatever reason.

I want to add something to our Christmas Cookie Give-A-Way this year (drumroll....) I would love to encourage our fans to wear their best ugly Christmas sweater! Whoever shows up in their Christmas sweater will get their name in a drawing for a prize! But please, no inappropriate or obscene graphics or phrases!

In the weeks leading up to Christmas Break, Booster Club will be giving away Christmas Stockings. Each week, one middle school student and one high school student will be chosen and will receive a stocking full of goodies! I will also choose a date for an Ugly Christmas Sweater day at the high school. I will have a drawing for everyone who wears a Christmas sweater, and also a prize for the best homemade Christmas sweater! I will pick a date and let everyone know!

Lastly, I have window decals for \$8 and phone grips for \$3! They would make great stocking stuffers!

Best of luck to our Speech & Drama, our Wrestling team and our Basketball teams this winter! LET'S GO GET'EM, TIGERS!!
