

DENTAL SCREENING CERTIFICATION

West Linn Wilsonville School District

HB 2972 requires Education providers (includes Oregon Prekindergarten and Head Start) to collect and file certifications of dental screenings (within the previous 12 months) on all students 7 years of age or younger who are either beginning educational programs, or who are new to an educational program (within 120 days from school start date).

Please have your child screened by your dentist prior to the start of school. Your dentist will complete this certification form and you will bring it in to school.
