In the following box, provide supporting documentation that demonstrates the ARC:

- Used multiple sources to triangulate the data and substantiate the existence of the disability; and
- Confirmed the progress of the student is impeded by the disability to the extent the student's educational performance is significantly and consistently below the level of similar age peers.

Supporting Documentation:

The ARC used the interpretation of the evaluation data documented above to determine:

- ☐ The student meets the eligibility criteria for developmental delay, which adversely impacts his/her education, and is eligible for specially designed instruction and related services.
- ☐ The student does not meet the eligibility criteria for developmental delay and is not eligible for specially designed instruction and related services.
- ☐ The student has developmental delay, but it does not adversely impact his/her education; therefore, the student is not eligible for specially designed instruction and related services.
- ☐ Evaluation data are insufficient to determine eligibility. Additional assessments and data will be obtained in the area(s) of:

The ARC will reconvene by \_\_\_\_\_ to review and determine eligibility.
