Dear Parents of Central Cass Students,

The Central Cass Dollars for Scholars Chapter has been active in our community for 30 years. Over those 30 years we have awarded **697 graduating seniors*** over **\$874,000.00** in scholarships. We were able to give **\$56,550** to the graduating class of **2022!** We would not be able to do this without the support of our community. Therefore, we are asking for your help so we can continue this tradition of giving for the many years to come.

We would like to give every Central Cass family the opportunity to become a class sponsor. Each K-12 class has an established account within Dollars for Scholars. When a donation for a specific class is made, we put those dollars into their class account. This account grows throughout their years at Central Cass and when that class graduates, scholarships are given with those funds. Will you become a class sponsor for your child's class? You may donate any amount you wish to, but for reference, the class enrollment size is shown on the backside of this letter. If you have more than one child, there is an opportunity to give to each of their classes. Please consider partnering with us!

There are also other opportunities to help support Central Cass Dollars for Scholars. These include:

1. Attending (in person or online) the Dollars for Scholars annual Live and Silent auction on December 3, 2022.
2. Donating auction items for the Dollars for Scholars annual Live and Silent auction on December 3, 2022.
3. Giving to Central Cass Dollars for Scholars on Giving Hearts Day on February 9, 2023.
4. Donating to our phone-a-thon / mail-a-thon in the Spring of 2023.

We hope you will consider being a part of and supporting Central Cass Dollars for Scholars. Follow us on **Facebook** for updates by liking "**Central Cass Dollars for Scholars**". Thank you on behalf of our Central Cass students.
