SEE Back for More Information about DESTINATION IMAGINATION

Destination Imagination is an educational program in which student teams, made up of 2-7 members, solve open-ended Challenges and present their solutions at fun, local Tournaments. Teams are tested to think on their feet, work together and devise original solutions that satisfy the requirements of the Challenges, and develop innovative thinking strategies. Participants gain more than just basic knowledge and skills, they learn to unleash their imaginations and take unique approaches to problem solving.

Competitive teams

Grades 3-5 compete at the Elementary level

Grades 6-8 compete at the Middle level

Grades 9-12 compete at Senior level

ALL TEAMS WILL PARTICIPATE IN AN INSTANT CHALLENGE

Rising Stars

Rising Stars for Early Learners Challenge offers simple experiences with the creative process, and it gives young kids (preschool through 2nd grade) a place to work together and make new friends.

Destination Imagination is dependent on parent participation. Each team formed will need 1 or 2 team managers to help facilitate the team in solving the challenge. Each team will also need an appraiser to appraise at the regional tournament.
