

Did You Really Meme That pun?

You will create an element meme.

- the meme must:

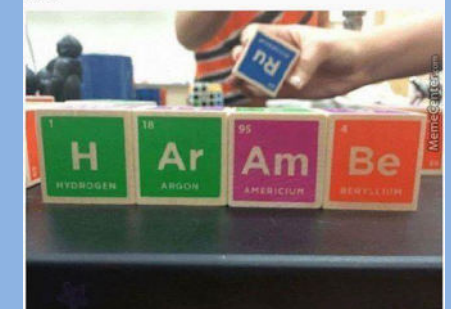

- Contain at least 2 element symbol boxes
- Be colorful!! Design/background should match/enhance saying.
- Have dark lettering.
- Take up a piece of copy paper.
- Have your Name on back.

Teacher: Who can tell me what elements on the Periodic Table are essential for life?

Me:

MORE TEARABLE PUNS

If you're ever attacked by a group of angry clowns, go for the juggler.

I was scuba diving with my uncle when he pulled a mussel.

My sister wanted to work at the post office, but my mom wouldn't letter.

I'm dating a wedding photographer. We'll see what develops.

I had a job in T-shirt factory until the business folded.

My gossipy cousin has a great sense of rumor.

Our valedictorian bragged that her blood type is A-positive.

After winning the match, the boxer was recognized for a jab well done.

When two narcissists are arguing, it's usually an I for an I.

What do you call two crows? An attempted murder.

My algebra teacher took my rubber bands; he said they were weapons of math disruption.
