Did you take photographs this summer? What did you shoot and why?

Did you have a favorite project in Digital Photo? Please explain what it was and why you enjoyed it. If you don't have a favorite just tell me about one that you enjoyed.

Do you have a favorite photograph from that class? If not, discuss one that you like. Describe it and explain why you like it.

Do you have a favorite photographer (besides yourself)? Who is it and why do you like his/her work?

Did you sign up for this class with a specific goal – take more photos, explore specific themes, learn more about technical camera functions, experiment more with Photoshop, etc.? Please explain.

Is there anything that you are still confused about from Digital Photo? Explain.

Do you have specific ideas for projects/themes/ideas that you would like to explore this semester? Explain.

Thanks! Welcome back to photography!
