## What happens during your school day?

Finally, I had just finished another normal day of teaching. I've been waiting all day to head home so that I could get changed and watch my cousin play at her soccer game! I drove my car home like Lightning McQueen and found an outfit quickly, leaving my room as if a tornado had just gone through. I get the chills watching her play now, I've been going to her games for 12 years and she's grown so much over the years. I arrived at the field and greeted my aunt and grandmother. The game had already started so I didn't dare greet my uncle, I could see the laser focus in his eyes watching his daughter run down the field with the ball. I sat down and immediately had my eyes glued to the game. Her team looked like a whole new group of girls this year, even though they were the exact same players! First, they scored one goal, then another, and another! I looked down at my watch and realized that it was already 6:00pm, so I had to get home soon to cook dinner or else my boyfriend would probably die of starvation. When the score became 5-1 I said my goodbyes and went on my way home. It was the perfect way to end my busy day.

### Dilling SPOTLIGHT: Sumeyo

Based on the chapter, I do agree that Mrs. Pratchett is a horror. I know this because the text says "by far the most loathsome thing about Mrs Pratchett was the filth that clung around her. Her apron was grey and greasy. Her blouse had bits of breakfast all over it, toast-crumbs and tea stains and splotches of dried egg-yolk. It was her hands, however, that disturbed us most. They were disgusting. Another reason why I agree that Mrs. Pratchett is a horror. I know this because the text says "least of all Mrs Pratchett, ever thought of using a little shovel for getting out the sweets as they do today. The mere sight of her grimy right hand with its black fingernails digging an ounce of Chocolate Fudge out of a jar would have caused a starving tramp to go running from the shop. In the end that is why I agree that Mrs. Pratchett is a horror.

### Knipe SPOTLIGHT: Giorgio

Based on the text I agree that Mrs. Pratchett was a horror. In the text it says "She never smiled. She never welcomed us when we went in, and the only times she spoke were when she said things like, 'I'm Watchin' you so keep yer thievin' fingers off them chocolates!' Or 'I don't want you in 'ere just to look around! Either you fork out or you get out!' It also says " Her apron was grey and greasy. Her blouse had bits of breakfast all over it, toast-crumbs and tea stains and splotches of dried egg-yolk. It was her hands" This evidence shows that Mrs. Pratchett was an Evil, Rude, Nasty, Vicious old woman. Overall, Mrs. Pratchett was a horror.
