Your turn!

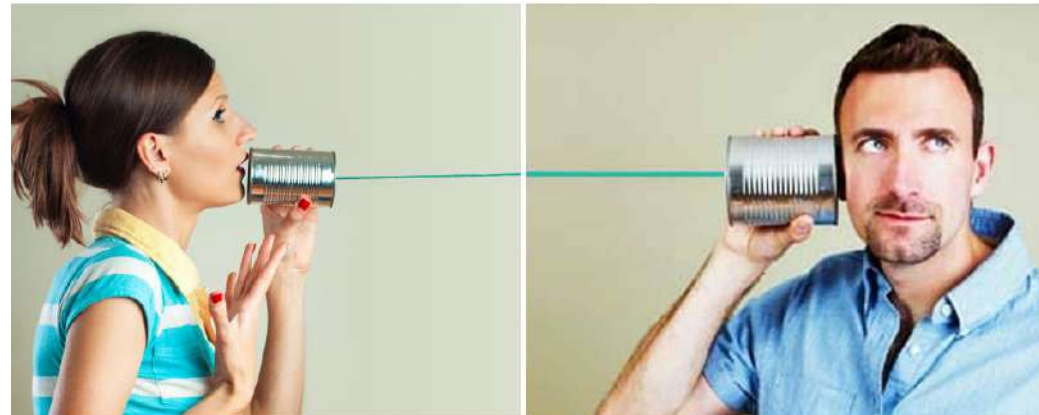

Your turn!

Suspension of
disbelief!

- In teams of two, collaborate to create a diptych
 - *Two photos that create one composition like a hinged illustration or story*
- Create an illusion of physical connection
- Aim to make a novel, whimsical, or uncanny final composition that will prove our connectivity is alive and well in the midst of being physically apart.
- Final team project will be two images of the same resolution, size, and orientation

-
- Partners are assigned
 - Submit your concept in the “Pre-Production” discussion thread **Due date: Wednesday May 6th**
 - Submit your (individually) final image in the “Final Diptych” discussion thread **Due date: Wednesday May 13th** (*I will composite the two images together in a final layout*)
