## Instructions: Make an Appointment

- Access your Login Page using the URL
- **Appointments can be made up to 1 hour before your scheduled clinic start time**
- Every year a new account is required. Select "Login/Create Account" to create your username (use your email) and password. If you don't have email, follow the instructions.
- Select the location and date you will be attending
- Select number of participants (number of family members attending)
- A list of available times will appear → Select a clinic time
- Your appointment details will be listed. If everything is correct, select "Confirm Your Appointment."
- You will receive an appointment confirmation via email according to the timeline you select. You may add, change or cancel this appointment up until 1 hour before the clinic.

**Note: Flu mist is not recommended this year – less effective than shot.**
