JPS Learn At Home - Information for Students and Teachers

The District has created a site to support parents and students at home that can be found on the District website.

The District also created a special site for teacher support and can be accessed here.

The District will have an online discussion group for teachers where they can ask questions and get support from the JPS Ed Tech and Teaching and Learning Departments, watch recorded videos, and get links to resources to help with our new "Learn at Home" initiative.

Step 4: Now, type your email address. This is your lunch number with the zeros at jpsms.org

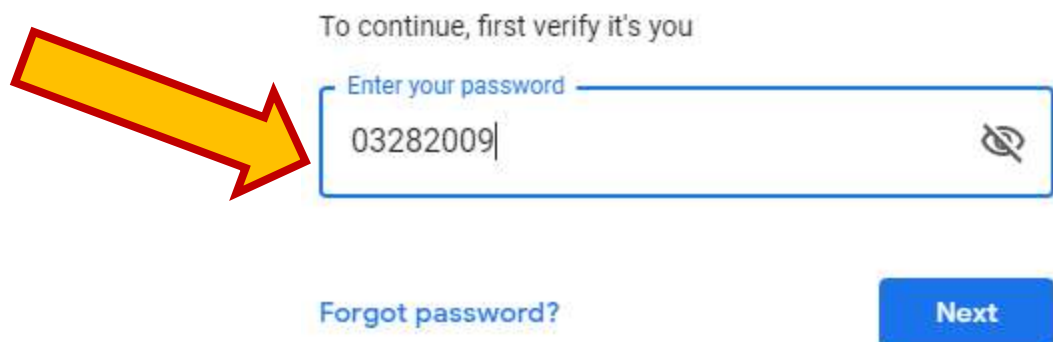

Example:

A screenshot of a Google Sign-in window. At the top, it says "Sign in with Google". Below that, it says "Sign in to continue to clever.com". There is a text input field labeled "Email or phone" containing the text "001234567@jpsms.org". Below the input field are two links: "Forgot email?" and "Create account". At the bottom right is a blue button labeled "Next".

Step 5: Enter your password. Your password is as follows: two digits for the month, two digits for the day, and four for the year without any slashes.

Example: The student's birthday is March 28, 2009. The student would type the following password:

A screenshot of a password verification screen. At the top, it says "To continue, first verify it's you". Below that is a text input field labeled "Enter your password" containing the text "03282009". To the right of the input field is a toggle icon for password visibility. Below the input field are two links: "Forgot password?" and a blue button labeled "Next". A large yellow arrow with a red outline points from the left towards the password input field.
