

Directions to Edwin W. Monroe Conference Center (2000 Venture Tower Drive, Greenville, NC 27834)

From Moye Blvd., turn at the Vidant Medical Center main entrance stoplight onto Farm Drive and then immediately onto Venture Tower Drive (behind the KFC). *(This is the same stoplight as the Vidant Medical Center main entrance. You are just turning in the opposite direction of the Vidant entrance.)*

Upon turning onto Venture Tower Drive, you will see the tall black and white building marked "Vidant Health" on your left. This is the Venture Tower building, and the Edwin W. Monroe Conference Center is attached to this building.

Continue following Venture Tower Drive until you see Edwin W. Monroe Conference Center on the far end of the tall black and white building, and turn left onto Sennie Drive.

You will now see the Edwin W. Monroe Conference Center directly in front of you and a HSA Staff Member will be there to direct you into the parking area directly across from the Conference Center. *(There will be no charge for parking in this parking lot.)*

NOTE: Do NOT park in any other parking areas near the Edwin W. Monroe Conference Center, as many of these spaces are for specific Vidant employees and you could be issued a \$75 ticket!
ONLY park in the parking area outlined above and be sure to see the HSA Staff Member to assure you are in the correct area!
