

NRHEG Schools
March 30 - May 1, 2020

5th Grade Band (Schoology)

Distance learning for this class will begin on **Monday, April 6**

We want to keep playing our instruments! Music provides a wonderful way to express ourselves and a welcome difference from our other studies.

- Log into Schoology daily for all information, updates, and learning activities
- Morning meetings using Google Meet will be determined as we wait to see individual student/teacher/family circumstances. For now, there will be NO Monday morning meetings for the band.
- We will be using SmartMusic for most of our practice assignments (Works with our current band book, Tradition of Excellence)
- Schedule
 - Mondays: practice assignments posted in Schoology
 - Tuesdays - Thursdays: individual practice time (5-15 minutes daily)
 - Fridays: assignment recording due using SmartMusic

More information about SmartMusic will be posted in our Schoology classroom. They have been overwhelmed with new service requests and will be sending out information to us as soon as possible.
