

# Missouri District Report Card

## Missouri School Improvement Program - Annual Performance Report for 2019

### ESSA Accountability Plan for 2019

Beginning in 2020, the Report Card calculates based on a fixed dataset derived from the current school year to produce a static report; therefore, it may not match other reports on the MCDS Portal. The Report Card is intended to represent a fixed period of time, while all other reports are periodically updated to display current data.
