# Nazareth Area High School

## How are our students preparing for life after high school?

How many of our students are completing at least one Rigorous Course of Study (AP courses, dual credit courses, concentrated CTE program)?

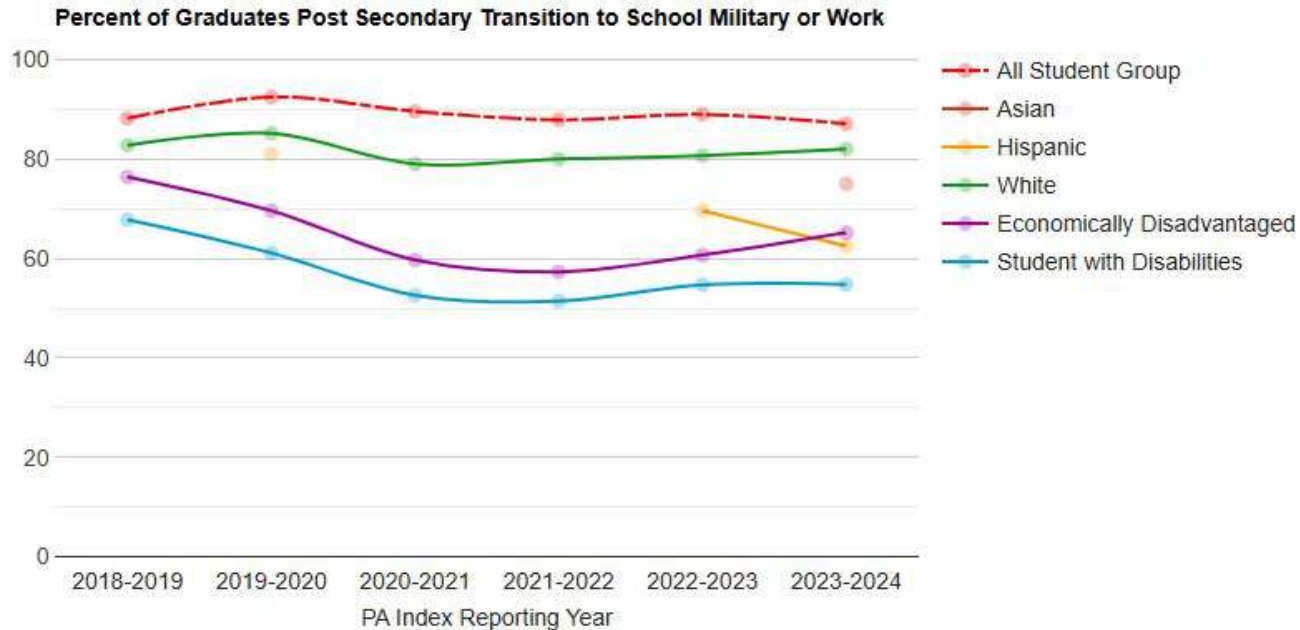

How many of our students are competent or Advanced on Industry-Based Assessments (NOCTI/NIMS)?

# Nazareth Area High School

## How are our students preparing for life after high school?

How many of our students who enrolled in higher education, enlisted in the military or entered the workforce within 16 months of graduation?

# What are our Secondary Strengths & Challenges?

## Strengths

- ELA and Science scores show growth with all student groups exceeding the growth standard at NAMS
- Students with disabilities showing growth in overall rate of proficiency in Algebra I, Biology, & Literature at NAHS; ELA growth surpassed pre-COVID levels
- Algebra & Biology scores exceed the growth standard & are above the state average
- Students with disabilities, economically disadvantaged & Hispanic student subgroups are increasing in rate of “completing rigorous course of study”

## Challenges

- Students with disabilities showing the least amount of growth among all subgroups in ELA, Science, & Math at NAMS
- All student groups not meeting growth standard in Literature at NAHS
- All student groups dropped in overall proficiency in Algebra I at NAHS
- Percent of graduates enrolling in postsecondary education, enlisting in the military, or entering the workforce has decreased somewhat since 2018-19 levels at NAHS
