Grades B-K-1-2-3 (Email activity)
Grades 4-5 (Schoology activity)

Hello NRHEG families!

I will be emailing students in grades B-K-1-2-3 by grade level (ex. 1st Grade-one email, all families included) on every Monday with a music activity for the students to do during the week. Once the student has completed the activity, please respond to my email with the reply “yes” to show the student finished the music activity for the week.

Grades 4-5 will use Schoology to complete their music activity.

Please contact me if you have any questions.
