

# Don't Get It Twisted!

Alliteration is the repetition of the same sound in a series of words (usually at the beginning of the words).

A "*Tongue Twister*" is a phrase or sentence which is hard to speak fast because of alliteration.

You are going to use alliteration to write your own tongue twister!

1. You will alliterate the first letter of your name.
2. Your tongue twister will be a complete sentence.
3. You will use appropriate language (no "bad words").
4. Your tongue twister will contain **at least 7** repetitions.
