*Business professional attire should be worn when interviewing for a job. Why do you think its important to dress professionally?*

Answer the above question using at least 5 complete sentences.

“

Using the internet create a **business professional** outfit for a MAN using pictures you find online.

Pants

Shirt

Blazer

Shoes

Using the internet create a **business professional** outfit for a WOMAN using pictures you find online.

Pants

Shirt

Blazer

Shoes

Using the internet create a **business casual** outfit for a MAN using pictures you find online.

Pants

Shirt

Blazer

Shoes

Using the internet find a good and bad example of hair/makeup for the professional environment then explain why they are good and bad examples.

Bad Example

Good Example

Explain here.

# Casual vs. Sloppy

Casual does not mean sloppy.

Explain some ways that clothing can be “sloppy” even though it technically IS appropriate for the workplace.
