

Welcome to the dual enrollment program at Ivy Tech Community College! Ivy tech provides a convenient online registration process using DualEnroll.com. Here's how to register for your Ivy Tech course(s).

First Time Students - Create an Account

You can register by computer or right on your smart phone by entering <u>https://ivytech.dualenroll.com</u> and using the **Click here** link to create a new account.

Complete the **New Student Registration** form to create your account. Provide all information including a login name and password. All fields marked with a red asterisk (*) are required. You must provide either an email account or cell phone number to create the account. If a cell phone is used, standard text message rates apply.

Once you click **REGISTER**, you'll receive either a text message with an activation code or an email with a link to confirm your account. You <u>must</u> confirm your account before you can proceed with the registration. *If using email, be sure to check your junk and spam folders for the email.*
