HOW TO APPLY ONLINE THROUGH SCHOLAR TRACK

Before the student submits the application, proof of relationship to the veteran parent must be uploaded or the application cannot be processed. A birth certificate, Consulate Report of Birth Abroad, or appropriate adoption paperwork are all acceptable. All documents need to list the veteran parent. If available, please also upload proof of veteran's active duty wartime service and proof of service connected disability and, if needed, proof of Indiana residency. <https://scholartrack.in.gov>

Children of veterans must upload a copy of their birth certificate or adoption papers with their online application. **PLEASE DO NOT SUBMIT APPLICATIONS WITHOUT UPLOADING PROOF OF RELATIONSHIP TO THE VETERAN.** The child must have been legally adopted. Stepchildren are not eligible. Age restriction for adoption may apply depending on when the veteran initially entered the military.

Veteran active-duty military service requirements: The veteran must have served on active duty in the U.S. Armed Forces during a period of wartime, OR performed duty equally hazardous duty that was recognized by the award of a service, campaign or expeditionary medal of the United States (the military discharge must reflect that medal) Residency, Adoption, usage rules, etc may vary between Old Law and New Law rules. This information must be uploaded if applying as the child of one of these two categories. Additional proof of the veteran's residency may be required as well before eligibility of the student can be determined.
