

DULAS COMPANIES

SCHOLARSHIP APPLICATION FORM

The Dulas Companies Scholarship program is building the pipeline of careers and skilled trade education to support the heavy diesel repair and construction industries workforce gap. We are pleased to invite graduating seniors who are pursuing a career in diesel technology or heavy equipment operation to apply. Three \$1,500 scholarships will be awarded to seniors from area high schools. Four-year degree or bachelor programs are not eligible.

Students must submit a brief letter (300 words or less) of intent addressing how and why they developed these industry interests as well as a copy of their high school transcript. While your GPA is not directly associated with scholarship winners, we want to ensure you are taking school seriously. Also included will be two written professional recommendations and a scanned acceptance letter in an accredited college program. Location of the AEDF college is not relevant.

To ensure full consideration, return all required materials by April 30, 2023, to Crystal Dulas, via email at Crystal@DulasCompanies.com or in a sealed envelope to 920 St Hwy 109 E, Wells, MN 56097, attn.: Dulas Companies Scholarship. Please read all instructions in this document before submission.

1. Scholarship awards will be in the amount of \$1,500 and may only be used towards tuition. This amount will not be reduced if other scholarships are received.
2. Scholarships are available to current high school students entering their first year of an AEDF accredited college program.
3. Based on committee recommendations, students showing initiative, hard work and "Mike Rowe" attitude are necessary for eligibility.
4. Scholarships will be distributed upon graduation and will be paid directly to the college, with the recipient handling the delivery to the college.
5. All information provided in this application will be handled professionally and confidentially.
