

"DWIGHT ON A SPRITE" MEME Activity

In the spirit of "ELF on a SHELF" getting ready to start, students are to complete a Photoshop MEME activity. Students are to create a RHYMING meme using their own name and picture. Memes are to be school appropriate. If your First or Last name does not have an appropriate rhyme or image, please talk to me about options.

Some examples are below . . . **you are to include the text . . . "YOU HAVE HEARD OF ELF ON A SHELF"** and leave the rest to the reader. When you submit the project, please put the RHYME in the comments.

When submitting, use the SNIPPING Tool  icon and save the CAPTURE as the meme "name" mine would be RIDDLEONAGRIDDLE. Upload this for grading.
