## Your child may qualify for a University of Iowa study in Cedar Rapids!

The University of Iowa Growing Words Project has a **Cedar Rapids lab** on Center Point Road!

We study language and reading development in children.

We are open **evenings and weekends** to accommodate work and school schedules.

Your child will complete two 2-hour sessions in the lab and one 1-hour session over Zoom. They will be invited back yearly for four years.

We have safety protocols in place (cleaning, social distancing, and masks) to help protect your child and family.

We offer **compensation and prizes!**

### Compensation

- \$60-80 (\$15/hour)
- Participation in additional studies for a total of \$350-400

### Who is eligible?

- In 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> grade
- Normal hearing
- Normal or corrected vision (glasses/contacts are ok!)
- English is the only language they speak fluently
