IS YOUR CHILD IN

Your child may qualify for a University of lowa study in Cedar Rapids!

The University of Iowa Growing Words Project has a **Cedar Rapids lab** on Center Point Road!

We study language and reading development in children.

We are open **evenings and weekends** to accommodate work and school schedules.

Your child will complete two 2-hour sessions in the lab and one 1-hour session over Zoom. They will be invited back yearly for four years.

We have safety protocols in place (cleaning, social distancing, and masks) to help protect your child and family.

We offer compensation and prizes!

Compensation

learn

• **\$60-80** (\$15/hour)

read

 Participation in additional studies for a total of \$350-400

Who is eligible?

- In 1st, 2nd or 3rd grade
- Normal hearing
- Normal or corrected vision (glasses/contacts are ok!)
- English is the only language they speak fluently
