Please pick one activity each day we have e-learning. Try to pick a different activity for each day.

M	U	S	I	C
Try to figure out your favorite song on your instrument or on an instrument in your house.	Draw a picture using music symbols.	Find a Just Dance video to dance with.	Find some calming music to listen to while you work on other school work.	Draw a picture about one of our songs from music class. Hum the tune while you draw.
Message or call a friend or sibling if you can and share your favorite songs	Have a dance party! Gather the people in your house and dance to your favorite tunes.	Create your own lyrics for a song that would tell a story. Write them down	Sing a song while jumping in place.	Play your band instrument if it's home with you
Draw a picture of an imaginary music instrument. Think about how you would play it. How would it make sound?	Find something in your home that can be used as a drum - with permission - and play an 8 beat rhythm.	Listen to your favorite Music While You do your Homework	Create a 16 beat rhythm Write it down clap or pat the rhythm	Sing a song while taking a walk outside
Interview an adult about their favorite music/song when they were a kid.	Write some funny lyrics to make into a song.	Teach someone younger than you a simple song	Teach someone to play a song on recorder.	Make a musical instrument out of recycled/repurposed items.
Draw a picture that represents music you are listening to.	or sing a song from music class to another person..	Listen to tunes on the radio or your computer for 20 minutes- maybe while doing homework??	Listen to music while you exercise.	Play your recorder if you can find it!
