Dale Public Schools will be providing the Early Identification System (EIS) screener within the school year, under the direction of the district Licensed Mental Health Provider, to aid the district in determining student needs and providing prevention programs. The screener questions are available for viewing on our district website and in printed format by request. Screening for Kindergarten through 4th grade students will be completed by staff while screening for 5th through 12th grade students will be completed by the student.

We are requesting permission for your child to participate in the fall of 2024 and spring of 2025. You may choose to withdraw your child from the screening at any time by contacting Mrs. Gates. *This is NOT a psychological evaluation, and the information will NOT be included in your child's permanent academic records.*

If you have any questions with regard to your child's participation, please contact us at your earliest convenience.

Sincerely,

Darian Gates MS, LPC
