

This Wednesday, April 22nd, is EARTH DAY!

This week we will be making art using natural materials from our earth and recyclable materials!

Most of the items you will need this week can be found in your backyard or your recycling bin! A great way to help our earth is to find ways to reuse, recycle and repurpose our trash items!

Make sure an adult is with you when you go for nature walks. It's important to have an adult help you when you use natural materials from our earth. You don't want to touch poison ivy on accident! Always wash your hands after playing with or making art with earth materials.

Check out this amazing  
art made by  
professional Earth and  
Land Artists!

Check out these awesome videos I made! What art will you make this week?

Land Art Great for all ages. Make art in your backyard!

<https://youtu.be/729BgWqhafU>

Tin Foil Art Make metallic shiny art out of foil, glue and sharpies. Grades 2-5th

[https://youtu.be/8m\\_r\\_nkSnCw](https://youtu.be/8m_r_nkSnCw)

Tin Foil Painting All Ages. Make a painting without paint!

[https://youtu.be/8m\\_r\\_nkSnCw](https://youtu.be/8m_r_nkSnCw)

## Sam the Recycled Gnome

Grab some recyclables and get creative. All grades but may need adult help and supervision.

<https://youtu.be/OTP6jUsIZYM>

## Toilet Paper Weaving Machine!

Super fun but must know weaving. Grades 3rd-5th

<https://youtu.be/dE4OzBL5bxw>

## Paper Beads

All ages can enjoy making these beads from paper!

<https://youtu.be/Zrm5PYI0JYE>

Dirt painting All Ages. Dig in the dirt and have some fun!

<https://youtu.be/IDPdMsulsZQ>

Don't forget to take photos of  
your artwork and share on  
Facebook or email to
