Club Goal: To provide an environment where students can learn about the Earth and its countries and cultures. Students will deepen their understanding of their role in the environment and the international community.

Meeting Dates: 9/26, 10/3, 10/24, 11/14, 11/28, 12/12, 1/9, 1/23, 2/6, 2/27, 3/13, 3/27.

Late Bus is available Tuesdays at 3:30

Daily Procedures:

1. After second dismissal, go to Room 209 for attendance. Depending on the activity for the meeting, we may meet in room 209, use the art room, or go outside.
2. Pending any allergies, snacks may be shared as long as permission slips are signed. Students will be assigned snack duty for each meeting.

Important Notes:

1. The club activities will revolve around environmental, geographical, and cultural themes.
2. A Google Classroom page will be created as a means of communication.
3. Parents will need to provide signed permission slips for snacks and outdoor activities – any outdoor activities will be held either on school grounds or at Livingston Park.
4. Students are expected to follow school and classroom behavior rules. Any student who chooses to be disrespectful will receive a warning. A second transgression will mean the removal from the club.
5. Have fun! The club is an opportunity for you to interact with your peers and you explore and learn about the environment and world cultures.
6. Suggestions for club activities are always welcome!
