

EDNA ROBBIN FOUNDATION

Ray Robbin was a long-term resident of Flathead Valley. His belief in “you always put back a little, or you don’t do any good in life” led him to establish this scholarship in 1982 in memory of his late wife, Edna Robbin.

During his lifetime, Ray stayed occupied as a bank vice president, a cherry grower and with his brother George, co-owner of a men’s store called Robbin and Robbin. His father, Knute, established the Robbin Brothers hardware store in 1915.

This scholarship is offered to a graduating Flathead OR Glacier High School student. This is a one-year award.
