ICOS (Inventory and Condition of Schools System)
iGrants District Administrator	District or ESD	iGrants: User can fill out iGrant form packages and approve form packages submitted by other users prior to them being sent to OSPI for review. Capstone: No longer gives access.	iGrants
iGrants Read Only Guest	Any	Guest can view the grants for the organization they are assigned.	iGrants
iGrants User	Any	iGrants: User can fill out iGrant form packages. Capstone: No longer gives access.	iGrants
K-4 Literacy User	District or School	District: Users can refine a comprehensive list of continuously enrolled K-4 students to just those students who are not reading at grade level. School: Starting in 2016-17, only shows historical data from previous school years.	K-4 Literacy
LAP User	District or School	Allows user to view student level data for Learning Assistance Program data.	Learning Assistance Program Student Data (LAP Student Data)

User Role	Assignment Level	Description	EDS Application(s) you have access to...
LEP User	District or ESD	User has access to Limited English Proficiency (LEP) application for the assigned district.	Limited English Proficiency (LEP)
P210 User	District, ESD, or School	User can review and certify data for the Adjusted Cohort Grad (P210) application.	Adjusted Cohort Grad (P210)
P210Voc User	District, ESD, or School	District level: User can review and certify data for the Annual CTE Enrollment (P210 Voc) application. School level: User can review data at the school, but cannot certify data. CEDARS Participant and Concentrator reports: District access only	Annual CTE Enrollment (P210 Voc) CEDARS Participant & Concentrator reports
P210Voc User Read-Only	District, ESD, or School	User can review data only for the Annual CTE Enrollment (P210 Voc) application	Annual CTE Enrollment (P210 Voc)
PI_Preview Basic User	District, ESD, or School	Preview data and analytic reports prior to them being publicly shared on the <u>Public K-12</u> website.	Performance Indicator Preview
Private Participation Administrator	District	User can see all schools. Can create, submit, and edit Intent to Participate forms	Private Participation in Federal Programs
Program Monitor_Client	District or ESD	User can access Consolidated Program Reviews.	Program Monitor
Query User	District, ESD, or School	User can analyze data and create reports for assessments.	Washington Query
Refugee District Administrator	District	District role for accessing the Refugee Evaluation application.	Refugee Evaluation
<i>Restraint and Isolation District User</i>	<i>District</i>	<b><i>This is no longer an active EDS application.</i></b>	<i>Restraint and Isolation</i>
SAFS District ALE Submitter	District	User can access and submit the monthly and end-of-year Alternative Learning Experiences reports.	School Apportionment & Financial Services
SAFS District ALE User	District	User can access and report the monthly and end-of-year Alternative Learning Experiences reports.	School Apportionment & Financial Services
SAFS District Budget Submitter (F-195 and F-200)	District	SAFS: District Role for entering and submitting budget records for SAFS. Budget Projections: Allows user to upload data via file submissions, download existing data, edit/update data through the UI Screens, run reports.	School Apportionment & Financial Services Budget Projections

<b>User Role</b>	<b>Assignment Level</b>	<b>Description</b>	<b>EDS Application(s) you have access to...</b>
SAFS District Budget User (F-195 and F-200)	District	SAFS: District Role for entering budget records for SAFS. Budget Projections: Allows user to upload data via file submission, download existing data, edit/update data through the UI screens, run reports.	School Apportionment & Financial Services Budget Projections
SAFS District Cash Submitter (F-197)	District	District Role for entering and submitting cash records for SAFS.	School Apportionment & Financial Services
SAFS District Cash User (F-197)	District	District Role for entering cash records for SAFS.	School Apportionment & Financial Services
SAFS District Enrollment Submitter (P-223)	District or ESD	SAFS: District Role for entering and submitting enrollment records. K-3 Class Size: District Role for entering data and viewing reports.	School Apportionment & Financial Services K-3 Class Size
SAFS District Enrollment User (P-223)	District	SAFS: District Role for entering enrollment records for SAFS. K-3 Class Size: District Role for entering data and viewing reports.	School Apportionment & Financial Services K-3 Class Size
SAFS District Estimate Submitter (F-203)	District	District Role for entering and submitting estimate records for SAFS.	School Apportionment & Financial Services
SAFS District Estimate User (F-203)	District	District Role for entering estimate records for SAFS.	School Apportionment & Financial Services
SAFS District Personnel Submitter (S-275)	District or ESD	District Role for entering and submitting personnel records for SAFS.	School Apportionment & Financial Services
SAFS District Personnel User (S-275)	District	District Role for entering personnel records for SAFS.	School Apportionment & Financial Services, and Staff Hiring Projections
SAFS District YearEnd Submitter (F-196)	District	District Role for entering and submitting year-end results.	School Apportionment & Financial Services
SAFS District YearEnd User (F-196)	District	District Role for entering year-end results records for SAFS.	School Apportionment & Financial Services
SAFS ESD User	ESD	Allows user to review, modify, and approve records in applicable SAFS applications before they are submitted to OSPI.	School Apportionment & Financial Services

User Role	Assignment Level	Description	EDS Application(s) you have access to...
SAFS Document Signer (F-195 and F-200)	District or ESD	Allows users to certify (sign) the F-195 & F-200 certification page electronically via DocuSign	SAFS – F195 (new) and SAFS – F200 (new)
SAFS Document Signer (F-196)	District or ESD	Allows users to certify (sign) the F-196 certification page electronically via DocuSign.	SAFS – F196 (new)
School Employee Evaluation Survey User	District	Allows access to the School Employee Evaluation Survey.	School Employee Evaluation Survey
SIMON Newsletter User		Role is no longer active. If you would like to receive the SIMON Newsletter, please subscribe <a href="#">here</a> .	
Special Ed Report User	District, ESD, or School	Organization role to access Special Ed reports in CEDARS, Access to Behavior and Weapons Special Education tab must be assigned at the District or ESD level.	Behavior and Weapons, CEDARS, and Special Ed Federal Nov. Child Count
STARS District User	District or ESD	Allows user to access Student Transportation Allocation Report System (STARS). Also has access to the STARS Walk Route functionality. <u>Do not assign this role with STARS Walk User, they are not compatible.</u>	STARS
STARS Walk User	District	Allows access only to Safe Walk Routes for schools within district. Cannot view other STARS functionality. <u>Do not assign this role with STARS District User, they are not compatible.</u>	STARS
STARS Walk Admin	District	Allows access to all Safe Walk Routes for all districts/schools. Cannot view other STARS functionality. <b>For WSDOT Employees only.</b>	STARS
