

Egg Drop Project Daily Goals

Friday 12/9

- 1) Get project packet
- 2) Teacher introduces project
- 3) Choose groups and sign up
- 4) Brainstorm ideas for design

Physics Essentials Do Now

Take out your final project packet.

If you don't have one, get it from up front :)

Tuesday 12/13

- 1) Review Project
- 2) Choose groups and sign up
- 3) Brainstorm ideas for design
- 4) Sketch and Plan final design
- 5) Begin collecting materials

Wednesday 12/14

- 1) Build your egg drop device. It should be done for the beginning of class tomorrow.
- 2) If you are done, work on your final design with measurements (Design Page 2)
