# TEAM CHALLENGERS

Northwest IB receives grade rating of  
"A"!

Northwest Middle school recently received a grade rating of "A" after district MAAP scores from the previous school year were tabulated. This is great news for the Wolverine family. Thank you to all the school administrators, staff, faculty and more importantly the students for putting their best foot forward. Let's encourage our students to work hard to keep our "A" rating.

This month team challengers would like to highlight Mrs. Sealy-Jackson for her efforts in the classroom. Recently Mrs. Sealy-Jackson conducted etiquette classes with her eight grade students. During the lesson students were able to practice speaking French while dining out. An eighth grade male student commented "the class was fun because I was able to use the French language to order my food." Another student was asked about her experience and she responded "I am now able to teach people how to speak French whenever I am out in a restaurant and the activity was fun and I would like to do it again."
