

2018 – 2019 Elementary and Kindergarten Bus Routes

GRADES K-5

Note: Animal is identification on what bus to get on for grades Kindergarten through grade K-3. Times are approximations and can vary 10-15 minutes the first two weeks of school. Ohio law requires children to be waiting at the bus stop prior to its arrival. Waiting at the bus stop before the bus arrives further ensures that no one chases after the bus. This is a very dangerous thing to do.
