

## Final Opportunity to Register for Summer Reading Improvement Classes

Due to overwhelming parent response, we are adding a second teacher for the summer reading program. Therefore, we are able to accept new students into the program. If your child can benefit from supplemental reading instruction to prepare her/him for success in the next grade, please register today at your school or Thursday or Friday at the Board of Education Office. Call your principal or Dr. Continenza (285-4052) if you have any questions.
