

April/May 2024 Newsletter

Principal's corner

MAES Families,

As we approach the final two months of the school year, we are filled with anticipation of the exciting activities and enriching learning experiences that lie ahead. From field trips to programs and important assessments, these next few weeks promise to be both educational and rewarding for our students.

Remember, my door is always open. Whether you have questions, ideas or simply want to share your thoughts, please don't hesitate to reach out. As we embrace the excitement of spring, let us continue to work together to ensure a successful end of the school year.

Sue Currens
Principal, MAES

EARLY CHILDHOOD PROGRAMS

Little Lakers Preschool

Little Lakers Preschool offers a nurturing, stimulating environment where children can learn and grow. Our licensed teachers implement an age appropriate curriculum with play based activities. Music and movement as well as free meals are components of our programming.

Preschool Registration for the 2024-2025 school year is open! Please register online at: <https://minnewaska.reg.eleyo.com/child-care/2/preschool>

Early Childhood Screening

Early Childhood Screening is a free & simple check of how your child is growing, developing & learning. *It is best done when your child is 3 years old.* It is also a requirement for any child entering school in Minnesota. It is designed to ensure the healthy growth of students to be successful in any educational setting and if needed, connect them to resources that will support their development.

At your child's screening appointment, a trained professional will check:

- Hearing & vision
- Growth, immunizations & movement
- Thinking, language & communication skills
- Social & emotional development

Early Childhood Screenings are done by the Minnewaska School District and are free of charge.

If your child is between the ages of 3-5 and has not been screened, please schedule an appointment today! [Schedule an Appointment HERE](#)

Screening dates available;

Wed, June 12 8-12

Wed, July 10 10-4

Wed, July 17 8-2

Tue, Aug 13 12-5

Early Childhood Family Education

Spring classes are now live! Click the link below to register! We are offering Storybook Cooking and Grandparents Are Special.

Online Registration for 2024-2025 School Year is Open!

Each year we ask that you log into your parent vue account and register your child for the next school year. Make sure you select register for the 2024-2025 school year. All data is saved from the first time you register, so it goes rather quickly! It allows you to update any address changes, email addresses, new phone numbers, emergency contacts and even medical information for your student(s).

If you have a student that will be in Kindergarten this fall, we ask that you register as soon as possible so we can plan for adequate staffing. If you don't have a ParentVue account, you will need an activation code from the school office. Please reach out to Kylie Murken at 320.634.4567 ext 2202 or kmurken@isd2149.org and I'll be more than happy to help! Below are the instructions for registering your child online;

In a browser of your choice, locate Minnewaska Area Schools website: <https://www.minnewaska.k12.mn.us/>

Select "Enroll and Register" at the top of the main page.
Select "Access Online Enrollment Here"

If you already have a Parentvue account, log in.

If not, choose "More Options" then choose "Activate Account"
Select "I Accept" Then use your activation code and follow prompts to create your Parent Vue account. (IF you do not have an activation code you need to contact the office)

Once you are at the "HOME" screen, you should see any students that the district has attached to you in the center of the screen. In the upper right of this screen, choose the "On-Line Enrollment" option.

The system will walk you through the enrollment process for each of the children you want to enroll at Minnewaska Area Schools for the 24-25 SY.

Class Placement Input Form

As we prepare for the upcoming school year, we frequently receive inquiries from parents regarding our classroom assignment process. Our main objective is to establish conducive learning environments that cater to the diverse needs of all our students. Many factors play into our process for determining classes, including gender, and mixed ability groupings which prompts us to use data on each child's social, emotional, and academic

skills. For these reasons we are unable to honor requests for specific teachers or friend requests. We do welcome parent input through a Placement Input Form which you can find on our website under "Elementary School". This form is a way for you to express your child's unique learning needs. Forms must be returned to the Elementary Office by Friday, May 3rd.

Community Ed Activities * Click [HERE](#) to Register "Enrichment & Fun" tab

Please remember to inform the office and/or your child's teacher if you have signed up your child for a Community Ed activity. They will ride Bus #6 from the elementary school to the HS if the event takes place out there. Thank you so much!!
