Setting up your shots

➡️ **Find your images**

Explore campus. Find creative ways to show each of the elements of composition. Make sure they are in focus and free from distractions in the background.

➡️ **Edit each image**

Tutorial. Upload your images to a folder on your Google Drive. Open each image in photoshop. Crop them as _____.
Save and name:
adv.last.first.(element).jpg

➡️ **Final submission**

Tutorial. Submit each image and a contact sheet.

Tech Specs:
➡️ **AV Mode**
➡️ **F2.9-3.5**
➡️ **ISO Auto**
➡️ **Sunlight**

Elements of Composition

Setting: Aperture (f-stop)

Goal: Capture well composed images that show each of the elements of composition.
- Symmetry/Centered Composition
- Rule of Thirds
- Bird's Eye View
- Worm's Eye View
- Framing
- Fill the Frame
- Leading Lines
- Selective Focus
- Repetition

Materials: Camera with 50mm lens, sd card

Set Up: Each person is responsible for finding their own examples. Please pay attention to what is in the background. These should be WELL COMPOSED images.
