Elmwood Happenings 3/22/2023

Greetings Elmwood Community,

We are just a couple days away from our spring break. I know the staff and students look forward to this time off. It is the chance to rejuvenate and mentally recharge to get us to the end of the year. When we return from break, the state testing season is upon us and we ask everyone to give their best on their testing dates. When your child has a test the next day a good night's sleep and a good breakfast is beneficial. On a different note, I want to congratulate our middle and high school students who performed in the musical, *School House Rock, Live*. You all did a fantastic job and I am really proud of you.

1. Recently, students in 6th grade science did a unit on potential and kinetic energy. They are using rulers, books, and a variety of different sized marbles to see how they could get the most kinetic energy for their simulated bowling alleys.

2. The National Honor Society, the national affiliate of our Elmwood National Honor Society Chapter has announced that senior Julia Gross has been selected as one of 575 NHS Scholarship national semifinalists and has been awarded a scholarship of \$3,200. Recipients are chosen based on demonstrated work to support the four pillars of NHS: scholarship, service, leadership and character. This is a really prestigious recognition for one of our seniors. Congratulation Julia and best of luck after graduation.

3. Here is an opportunity for some family time put on by a community partner, The Wood County Family and Children First Council. Please see the flyer for the information.

The flyer features a central illustration of a purple and yellow striped tent. Above the tent are two stylized flowers, one orange and one purple. The text 'SPRING FAMILY FAIR' is in large blue letters, with 'Fling' in a cursive orange font. Below this, a paragraph describes the event's goal. A dark blue banner lists vendors and food. The date and time are in orange. A list of activities is preceded by the word 'Enjoy:' in cursive. A QR code is labeled 'SCAN ME'. The location is 'FIRST UNITED METHODIST CHURCH'. At the bottom, contact information and logos for the Wood County Family & Children First Council and CareSource are shown.

4. It is time for another graduate recognition. This time we are highlighting Thomas Bodnar, a 2019 graduate of Elmwood High School and then earned a degree in mechanical engineering from the University of Toledo. Thomas works for Webster Industries, Inc. and was recently promoted within the company. In his new role, Thomas will be accountable for maintaining and improving all production and processing equipment. Please continue to share good things our graduates are doing. The community enjoys hearing about their accomplishments.

5. Congratulations to Elmwood Middle School 5/6 grade Quiz Bowl team who made it to the championship match and finished runner-up for the Northwest Ohio Quiz Bowl League! They represented Elmwood in fine fashion all year long under the leadership of advisor, Mrs. Laborie. The members of the 5/6 Quiz Bowl team are: Elijah Henning, Shipley Morlock, Laine Brubaker, Paxton Reynolds, Blake Salyers, Casten Syzch, Ryder Rothenbuhler, Brielle McCune

*Bus Drivers Needed: Would you like a part time/as needed position? (Could lead to a full-time route in the future, if desired.) Do you like attending Elmwood sporting events? Would you be interested in being paid while attending? If so, maybe bus driving is for you! Sub drivers also cover regular routes when needed. Don't have a CDL? No problem! We can provide the training necessary to meet all the federal, state and local requirements. If you would like more information, please contact Laurie Lee, Transportation Supervisor. (419-655-2583 ext 347 or leel@elmls.net).

*Custodial and other substitutes needed: In addition, we are also looking for substitutes in the area of custodial, aides, café, and teaching. Please email Mr. Borton at bortt@elmls.net if you would like more information.

Tony Borton, Superintendent
