

## Pitt County Schools PCS Network and Internet Parent/Guardian Consent and Email Opt-Out Form

Student \_\_\_\_\_

School \_\_\_\_\_

The following resources are provided by Pitt County Schools to support state learning objectives:

- District-issued student email account
- Access to the Internet
- Online learning resources (the school may act as guardian when using websites that require parent consent in order for students to create an account with a user name and password)
- District owned and maintained network resources

I understand that the following may come under consideration for publication, including but not limited to the Internet:

- my child's artwork, writing, or other projects
- photos, videos, or sound recordings of my child

No home address or telephone number will appear with such work. When posting such content to the Internet, it will adhere to School Board Policy 2.502. I give permission for my child's image or work to be published as stated above.

I understand my child will have access to the above learning resources as part of their educational experience in Pitt County Schools.

☐ Email Opt-Out: I do not give permission for my child to use a district-issued student email account.
