What is EMBODI?

EMBODI: Empowering Males to Build Opportunities for Developing Independence is the nation signature program of our sorority under the leadership and vision of our 24th National President Cynthia M. A. Butler-McIntyre. The EMBODI program promotes and provides opportunities to improve the quality of life of African American males through a comprehensive approach aimed at developing their overall potential.

EMBODI is symbolic of empowering young African American males to immerse themselves in African and African American culture and to see themselves as a person of great worth who can take his place with a life of meaning and accomplishment. The programming focuses on: education; culture; family and community; personal, social, and emotional factors; resilience and responsibility; leadership and mentorship; preventative health care and mental health counseling; financial; safety, and protection; conflict resolution and restorative justice; scholarship; and service learning.

Components of EMBODI

Participants within the EMBODI program will be a part of monthly sessions conducted by members of the EMBODI committee, guest speakers, male involvement from community leaders & organizations, community service projects, collaborations with other male organizations, and various activities. The EMBODI curriculum addresses issues related to STEM education, culture, self-efficacy, leadership, physical and mental health, healthy lifestyle choices, character, ethics, relationships, college readiness, fiscal management, civic engagement, and service learning.
