

# ENCORE BINGO

Perform the task in each square to score a BINGO! How many BINGOS can you get?

Teach someone  
4 different  
rhythm patterns!

Draw a monster  
or creature of  
your own design!

20  
Jumping  
Jacks!

Create the tallest  
& widest tower  
using anything in  
your home!

Put on music  
and march to a  
steady beat!

Go for a  
walk with a  
family member!

Tell your family  
what the 4 C's  
of STEM are and  
what they mean!

Sing a song  
you learned in  
music class!

Draw 5 things  
you see outside.  
Draw outside if  
you can!

Shoot & make  
15 baskets using  
a paper ball  
and a basket!

Draw a portrait  
of one of your  
family members!

Sing Twinkle,  
Twinkle Little  
Star outside  
forte (loud)!

**FREE**

When watching TV,  
perform 3  
push-ups during  
commercial breaks

Draw a magical  
garden of your  
own design!

Go to Code.org  
and beat an entire  
level! How many  
can you beat?

Dance  
to your  
favorite  
song!

Make a poster  
about something  
to hang in  
your room!

Sing your  
favorite song  
piano (quietly)  
in the bathroom!

Grab all the  
paper you can,  
just paper. What  
can you create?  
Show me!

Write a song  
to share when  
we get back!

What can you build  
using toilet paper  
& paper towel  
tubes? Be creative  
as possible.

Be active  
outside for  
20 minutes!

Use the Engineer &  
Design Process to  
create an original  
project of recycled  
materials!

Draw  
your favorite  
character!
