

End of Year Project

You are creating a children's book to be modeled after the ABC type children's books.

The project will be worth 2 major grades and there will be several daily grades taken while you are completing the project.

A Daily Grade: Med Term for each letter of the alphabet. (26 terms)

B Active daily participation (20 points per day)

C Major grade; counts twice and broken down below.

- *Daily Grade:* You will choose a medical term for each letter of the alphabet.
- *26 pts:* You will break down the terms and define them (fracture them).
- *14 pts:* Give the Signs and Symptoms (3 of each).
- *15 pts:* Define the causes of the condition or disease.
- *30 pts:* Give an anatomical illustration: **MUST BE LABELED, DETAILED AND IN COLOR.**
- *15 pts:* Describe any treatments, rehabs, medications, therapies, or procedures needed for the condition or disease.

***You must use a credible source to find your disease or condition.*

Possible credible sources:

- Webmd.com
- Mayoclinic.org
- Who.int
- Cdc.gov
- Health.com
- Nih.gov
- Ama-assn.org
- Dshs.texas.gov

Supplies:

- Construction Paper
- White Paper
- Colored pencils

Due Dates!!

- **May 5th – Assign project**
- **May 6th – List check off in class and begin to assemble information**
- **May 9th – 12th Work on Project in class**
- **May 12th – Project DUE at the end of class**
