ACTION: Share [flyers](#) with English Learner students and families

The Learning and Language Acquisition department will be hosting the inaugural English Learner Family Academic Symposium, a Title III family event, on Saturday, August 6th from 12:30-4PM. The event will be held at the CMS International Center (4000 Applegate Road, Charlotte, 28209) with a flag parade starting at 12:30PM!

The purpose of the English Learner Family Academic Symposium is to provide the families of English Learner students with the opportunity to learn about ways to support their children's academics at home, share community resources available to them, and leave feeling prepared to support their children as they start a new school year! Students from our P.A.C.E. Summer Language Academy will be showcasing their work from this summer and marching in our opening cultural flag parade.

Flyers are available in multiple languages [here](#). Please help us spread the word to English Learner students and their families and join us at the event if you are able.
