

environmental ART

Creating an ephemeral installation

PROJECT GOALS

- Build an understanding of 'Ephemeral Art' (*research this!*)
- Explore the ephemeral artwork of a variety of different artists
- Plan and create a piece of Ephemeral Art made with natural objects installed in a natural environment inspired by the ephemeral artists we have learned about
- Take professional photos of your finished piece and post to our class slide show

ARTIST INSPIRATIONS

- Andy Goldsworthy
- Richard Shilling
- Walter Mason
- Christo & Jeanne Claude
- Robert Smithson
- Edith Meusnier

ANDY GOLDSWORTHY

RICHARD SHILLING

walter mason

CHRISTO/ Jeanne CLAUDE

ROBERT SMITHSON

EDITH Meusnier

ARTIST INSPiRATIONS

Take some time to learn more about some artists! Click on the names of the artists you'd like to learn more about.

creating YOUR artwork

1. Plan out your piece ahead of time
2. Be safe-
 - Practice social distancing
 - Don't use poisonous plants
 - Build in safe locations
3. Avoid killing or damaging plants
4. Make sure you take LOTS of great photos once complete the installation
5. Post 1 to 3 images of your finished piece in our class slideshow in Google Classroom
