5 **Math I** **Math II** **20 proctors**	6 **Spanish I** **A and B Exam**	7 **Make-ups**	8 **Make-ups** Social Studies NCFEs 5 proctors	9 **Make-ups** **As needed**

Between May 24th and June 6th, your child will be taking several standardized tests required by the state of North Carolina. Please refer to the calendar above for specific dates for each test. This year, all of our end of year tests will be **online**. Students have been introduced to the NCTest APP, which is the platform that will be used for all tests. Each grade level content teacher has demonstrated the features of the APP with all of their students using the NCTest Tutorial. Students have had numerous additional opportunities to practice using this platform.

Tips for a Successful Testing Experience:
- Be present
- Be on time
- Get plenty of sleep the night before
- Eat a good breakfast
- Relax and do your best

PROCTORS NEEDED!
Proctors are required for each testing session. A proctor must be a registered volunteer and is responsible for assisting the test administrator (teacher) during testing. We need more than **250** proctors in total for our testing sessions. We know your time is valuable and we highly appreciate your assistance with our end of year testing. If you are able to volunteer during any of the above sessions, please sign up using the following link: http://www.signupgenius.com/go/20f0d4aa4a622a5ff2-eogproctors
This link is also posted on the Bailey website.

If you have any questions, please contact Meg Bright (margaret.bright@cms.k12.nc.us) at 980-343-1068.

Thank you for your support!
