

DRAW CAT THE CAT IN 7 STEPS!

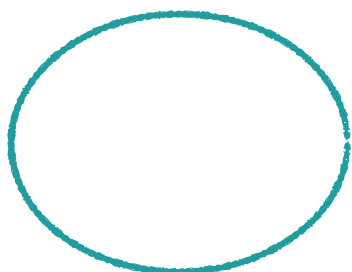

Kennedy Center Education Artist-in-Residence at Home

If you know how to draw shapes and write your name, you are ready to draw Cat the Cat!

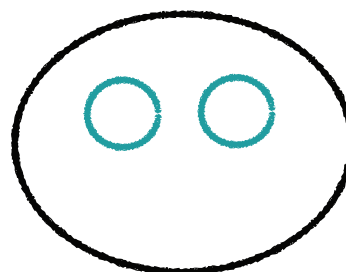

That's because drawing is just a bunch of shapes and letters put together in the right order. Let's try it!

1

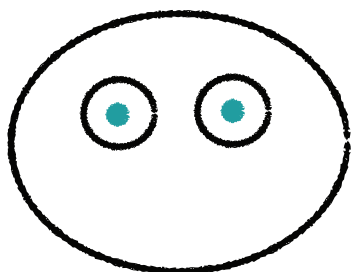

First, draw a big letter O. It appears in words like Mo!

2

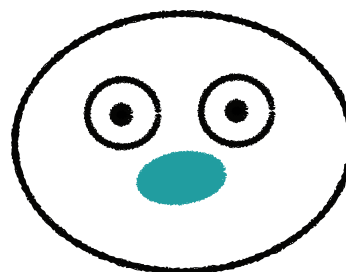

Inside the big letter O, draw two smaller letter Os.

3

Inside the eyes make two big dots. Cat the Cat can see!

4

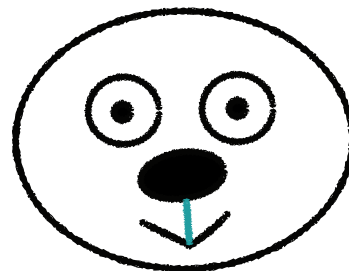

Draw an oval. Darken it in. That's the nose!

5

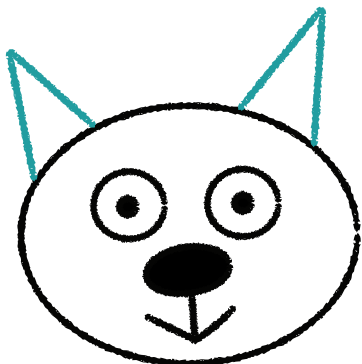

Draw the letter **V** for Cat the Cat's smile.

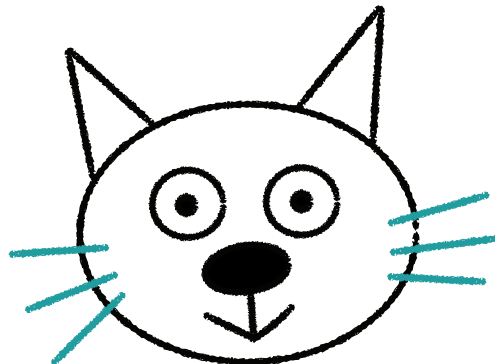

Then connect the nose to the mouth with a number **1**.

6

Draw two big upside down letter **Vs**.
Cat the Cat has ears!

7

Draw three straight lines on both sides of the face to make the whiskers.

FINISHED!

What a great job! Don't forget to sign your name so everyone can see what a great job **YOU** did drawing Cat the Cat!
