Parents and Students,

This is your PHASE 2 packet for April 13-May 2! Here is what you need to know:

- **Math:** the first 7 days are all iReady lessons and each lesson is less than 30 minutes so you **MUST** complete the **ENTIRE** lesson each day!!! Be sure when you go to iReady that you are working on the Teacher Assignment. The remaining days are split between a workpage (sometimes 2) and 15 minutes of iReady. You will need to scan or take pics of completed work and send through dojo, email, or text. **Please send the pages completed during April 20-24 by Saturday, the 25th, and send the pages completed during April 27-May 1 by Saturday, May 2nd.** You do not have to send a picture daily--you can send the pages for the entire week all at once.
- **Science:** all you do is add information into the ALREADY CREATED Google slide that's in your Science Canvas Course under assignments (be sure you **submit** your completed slide show on Friday each week).
- **Writing:** all you do is respond to the writing prompt each Tuesday and Thursday that is in your Canvas Writing Assignment. Be sure to submit!
- **Reading:** iReady reading EVERY Day (see calendar for options)
