

Essential Questions for Chapter 8

8.1: Explain several examples of criminal & civil cases that would only be heard in the federal court system. (Exclusive jurisdiction)

8.2: Explain why the federal district courts are called the “workhorses of the federal judiciary.”

8.3: Why is the court’s power of judicial review so important?

8.4: Using at least 1 example of each, explain how the courts have determined that the federal government is supreme and how they have protected the rights of citizens.
