

Modern European History

European History from A to Z

This class is about European history... but what does this mean? It is going to be your job to brainstorm as many topics about European history as possible. Try to find one topic or idea for each letter of the alphabet listed below. The group with the most words wins!

Note:

- Remember – you only get points for unique items, so don't let other groups hear your answers!
- Every member of your group must have the same answers on their sheet.
- The items must be about European history only.
- You may list additional responses for each letter for bonus points (more than three if you can).
