Aside from conventional topics a main theme to his work is how challenging it is for him. He does not usually do a project unless he feels it will challenge him

Evan began to explore the meaning of apples

# Today's Artist: Evan Jarzinski

He started to  
examine the idea of  
the tree of life from  
The Bible and how  
the apple represented  
knowledge. He  
wanted to show how  
life without  
knowledge was drab  
and grey

Look at the way  
the keys help  
him focus on  
what was  
important to  
him without the  
other  
distractions  
around it
